CERRITOS, Calif., Oct. 11, 2023 (GLOBE NEWSWIRE) -- The Oncology Institute, Inc. (NASDAQ: TOI) has announced the appointment of Jeremy Castle, MBA, as Chief Operations Officer, effective September 5, 2023. In this role, Mr. Castle leads enterprise field and central operations, pharmacy, real estate, and practice integration, playing a key role in driving TOI's success as a public company.

Mr. Castle joins TOI with over 15 years of oncology industry experience, and has a track record of driving growth and profitability for multi-state physician groups. He has had other senior leadership positions, including Mr. Castle having previously served as the Chief Operating Officer for United Urology Group and Executive Director for The US Oncology Network.

"We are thrilled to welcome Jeremy to TOI as our Chief Operations Officer," shared Chief Executive Officer, Dr. Daniel Virnich. "He brings significant oncology operations experience, as well as deep experience with value-based care, and I am confident that his expertise in Oncology will greatly benefit TOI as we seek to rapidly accelerate our growth."

"TOI is entering an exciting chapter in its history, and I feel energized to join this team of progressive and passionate leaders and clinicians dedicated to changing oncology for the better," said Castle. "As Chief Operations Officer, I will have the opportunity to serve TOI's patients, teammates, community, and shareholders. I look forward to contributing to the company's continued success."
