Item 7.01. Regulation FD Disclosure.

On November 3, 2025, The Oncology Institute, Inc. (the “Company”) determined that a cybersecurity incident affecting an information technology software provider would potentially delay fee-for-service collections. Based on the Company's current assessment, this incident is expected to result in a brief immaterial delay in the collection of some claims in the Company's fee-for-service segment.

To date, the software provider has not indicated to the Company that there is any evidence that any patient personal information was compromised as a result of this incident, and an investigation remains ongoing.

The Company is collaborating closely with the software provider to mitigate the effects and restore normal billing operations as quickly as possible.

The information contained in this Item 7.01 is furnished and shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, and such information shall not be deemed to be incorporated by reference into any of the Company’s filings under the Securities Act of 1933, as amended, or the Exchange Act.
