3. We reissue comment 13. Substantially revise this section to address the specific laws and

regulations in California, TOI's largest market, regarding the corporate practice of

medicine, fee-splitting and how you are able to structure your arrangements in California

and other states. Potential investors should be informed of the nature and significance of

these statutes and provisions, how they impact your business structure and the means  $\frac{1}{2}$ 

necessary to remain in compliance.
